Time and Progress

You will always be able to view the remaining time in the upper right corner of the screen. Just below the time you will see e.g. '1 of 9', indicating that you are viewing screen/question 1 of 9.

You can, if you wish, hide the time remaining and question number reminders by clicking on them. To restore them, click on the icons 🔘 and 🖃 The time will, however, automatically reappear when you have ten (10) minutes remaining.

Navigation

You may navigate through the exam using any of the following, but using the Mouse is recommended:

- Mouse
- Tab key on keyboard
- Touch screen facility. If this facility is available and activated you should note that the whole screen is an activated sensor area

The Previous and Next buttons will be available throughout the exam.

Next moves you forward one screen.

Previous moves you back one screen.

The navigation buttons and functions can be selected by:

- clicking the appropriate button with the mouse,
- using the Tab key to move through the options and pressing the spacebar to select an option,
- touching the appropriate area on the screen

Using the Scrollbar

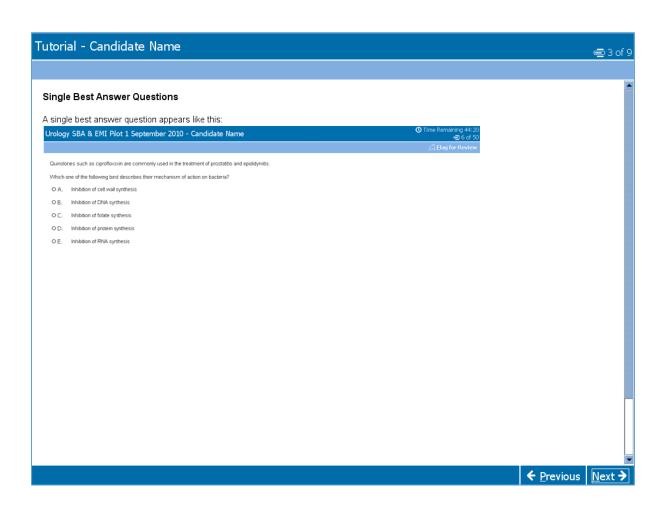

Some questions may have up to 15 options and may not all fit on the screen. For such questions, a scroll bar appears and you must use this to view all

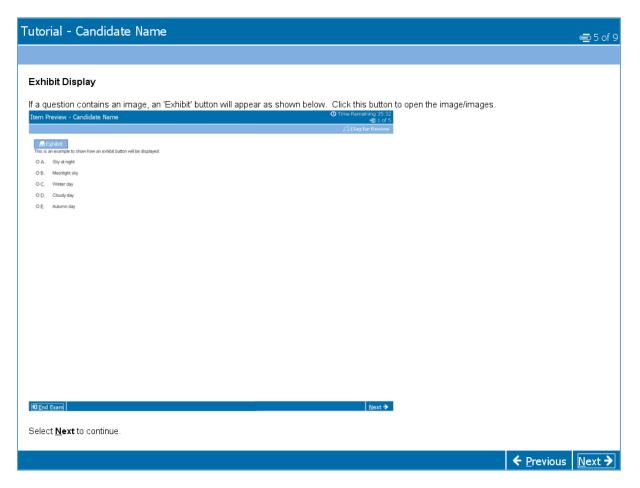

If you attempt to move onto a new question without scrolling to the bottom of the screen, a prompt will appear to remind you to view all the options.

Using the Review Screen

The **Review Screen** will appear after the last question has been answered.

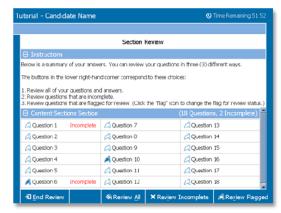

If you marked any questions 'Elag for Review', a flag will appear beside that item on the Review Screen. In the example below, items 6 and 10 were flagged for review. Unanswered items are displayed as "Incomplete."

Items can be reviewed in a number of ways:

Review All - Review all the items and answers in the section.

Review Incomplete - Review only the items that were left incomplete.

Review Flagged - Review the items that are flagged for review.
